Genesi

# SARTORIA<sup>®</sup> est. 2018

2018: Sartoria is created, combining the knowledge with the understanding of modern ceramic history. A tailored project for all those who love interior design, small sizes, colour and decoration. From these four elements a new chapter within Terratinta Group is born, aiming to create a new style that can be exported all over the world.

Just like the detailed and creative creations of a tailor, Sartoria designs and fulfils distinguished ideas, giving new life to the craftsmanship of the small ceramic size. From white-body walls to gres porcelain tiles, different options designed for small and wide spaces: a unique, contrasting design, a choice between styles, a choice of style.

Dall'esperienza di una storia ceramica recente senza precedenti, nel 2018 nasce Sartoria. Un progetto su misura per chi ama l'interior design, il piccolo formato, il colore e la decorazione. Da questi quattro elementi nasce un nuovo capitolo all'interno di Terratinta Group, con l'obiettivo di creare un nuovo stile esportabile in tutto il mondo. Così come le creazioni di un sarto, meticolose e creative, Sartoria disegna e realizza grandi idee, dando nuova vita all'artigianalità del piccolo formato ceramico. Dal rivestimento in pasta bianca al porcellanato, diverse combinazioni pensate per piccoli e grandi spazi: un design unico, contrastante, una scelta di stili e di stile.

**GENESI COLLECTION, THOUGHT FOR SMALL  
SIZES, ARISES FROM THE DESIRE OF  
EXPLORING THE ORIGINS OF MATTER,**

observing its imperceptible details, its intimate shades, its pure essence. It is an exploration contaminated by creativity. Matter takes shape and becomes decoration. That is how LUCE, TERRA, ARIA and ACQUA were born. Four families of decorations designed to transform space into a soul's place. GENESI: shaping space.

**LA COLLEZIONE GENESI, PENSATA PER IL PICCOLO  
FORMATO, NASCE DAL DESIDERIO DI ESPLORARE  
LE ORIGINI DELLA MATERIA,**

osservandone i dettagli più impercettibili, le sfumature più intime, l'essenza più pura. E' un'esplorazione contaminata dalla creatività. La materia prende forma e diventa decoro. Nascono così LUCE, TERRA, ARIA e ACQUA. Quattro famiglie di decori pensate per trasformare lo spazio in luogo dell'anima. GENESI: dare forma allo spazio.

# LUCE

## DECORS MIX

Light goes through the geometries of nature, creating shapes that blend together. Shadows are projecting themselves on the surface of earth. This is where the decorations LUCE stem from: soft shapes that engage in delicate movements. Together with their shadows.

La luce filtra attraverso le geometrie della natura, creando forme che si mescolano tra loro. Ombre che si proiettano sulla superficie della terra. È da qui che nascono i decori LUCE: forme morbide che si muovono leggere. Insieme alle loro ombre.

# ARIA

## DECORS MIX

Light movements, almost imperceptible. The clouds are shaped by invisible harmonies. Then a gust of wind, carrying the scent of salt. ARIA are decorations that give rise to evocative atmospheres. To begin breathing again.

Movimenti leggeri, quasi impercettibili. Armonie invisibili che danno forme alle nuvole. E un soffio di vento che porta con sé l'odore del sale. ARIA sono i decori che danno vita ad atmosfere suggestive. Per tornare a respirare.

# TERRA

## DECORS MIX

Right there, where the world is leaning on. Where roots are connecting. Where horizons are expanding. Matter that meets other matter. All this is TERRA: decorations that reveal paths. Because we are looking for new places to discover.

Lì, dove il mondo si appoggia. Dove le radici si uniscono. Dove gli orizzonti si distendono. Materia che incontra altra materia. Tutto questo è TERRA: decori che rivelano percorsi. Perché siamo tutti alla ricerca di nuovi luoghi da esplorare.

# ACQUA

## DECORS MIX

What stands still is moving, on the surface of water. The whole world is reflected. Even the sun, returned to the eye with small fragments of light. Unexpected. It is from here that ACQUA springs: the series of decorations elegantly designs, secretly upstream.

Sulla superficie dell'acqua, anche ciò che è immobile si muove. Il mondo si riflette. Perfino il sole, restituito agli occhi con piccoli frammenti di luce. Inaspettati. E' da qui che sorge ACQUA: la serie di decori dal design elegante, segretamente controcorrente.
