Teknotessere

by Mutina Team

Teknotessere rappresenta la contemporaneità e la semplicità, sotto forma di elemento ceramico. La collezione si compone di piccole piastrelle della dimensione di 1 x 1 cm, geometricamente rigorose ed essenziali, che si diramano in cinque nuance sobrie e raffinate: bianco, cemento, cenere, nero e fango. Il minimalismo che caratterizza i suoi elementi, permette di combinare Teknotessere ad altre collezioni Mutina all'interno di uno stesso ambiente, creando atmosfere sempre uniche e inedite.

Teknotessere represents modernity and simplicity, in the form of ceramic elements. The collection is made of small 1 x 1 cm tiles, geometric and essential, in five sober and refined colours: bianco, cemento, cenere, nero and fango. The minimalism of Teknotessere allows for it to be easily complimented with other Mutina collections in the same environment, thus creating unique and unprecedented atmospheres.
